Segment	Customers	Avg_Recency	Avg_Frequency	Avg_Monetary	Priority	Recommendation
About to Sleep	612	83.20	1.30	551.70	Nurture	Reminder/reactivation email with a modest incentive; low cost, moderate upside.
At Risk	302	142.60	4.90	1,973.30	Win back	High historical value but going quiet -- prioritize a personalized win-back offer over generic email blasts
Can't Lose Them	28	216.10	7.90	2,224.20	Win back	Small group of former top spenders -- worth direct, high-touch outreach rather than automated campai
Champions	591	7.30	13.90	7,657.60	Retain	Reward with loyalty perks, early access, and referral incentives. Avoid discounting -- retention risk is alre
Hibernating	384	244.10	1.50	480.80	Deprioritize	Low historical value and long dormant -- low-cost/automated reactivation only.
Lost	520	262.60	1.00	481.40	Deprioritize	Lowest value and most dormant -- not worth active win-back spend.
Loyal Customers	590	20.10	6.10	2,761.00	Grow	Upsell/cross-sell via personalized recommendations; invite into a loyalty tier to push them toward Cham
Need Attention	323	87.50	3.30	1,228.60	Win back	Time-limited reactivation offer before they slide further into 'About to Sleep'.
New Customers	253	26.50	1.00	351.40	Nurture	Welcome series and a first-repeat-purchase incentive to build early habit.
Potential Loyalists	487	24.60	2.80	1,376.10	Grow	Encourage a second/third purchase with a targeted follow-up offer and loyalty program enrollment.
Promising	248	32.20	1.70	588.10	Nurture	Onboarding content and small incentives to convert into repeat buyers.
